SIR:

Applicant acknowledges with appreciation the indication of allowability of the claimed invention. In response to the Examiner's Statement of Reasons for Allowance in the Notice of Allowance of July 21, 2009, Applicant respectfully submits the following comments.

In the Examiner's Statement of Reasons for Allowance on page 3 of the Notice of Allowance, paragraph 2 states:

The following is a statement of reasons for the indication of allowable subject matter of the claims 35 and 36: The limitations "the gate electrode comprises source electrode and the drain electrode comprise: a first copper diffusion-preventing layer formed on the gate insulator layer source region and the drain region . . . the organometallic compound material layer and the copper layer have a forward tapered cross section and are surrounded by the first copper diffusion-preventing layer and the second copper diffusion-preventing layer" in combination with other claimed limitations in independent claim 35 is not disclosed or suggested by the prior art of record. Claim 36 is dependent upon claim 35.

It is respectfully noted that independent Claim 35 does not include the language recited above. For example, the claim does not include a reference to "the gate electrode

comprises source electrode and the drain electrode" or "that the "first copper diffusion-preventing layer formed on the gate insulator layer...". Accordingly, it is respectfully submitted that the above-quoted statement does not apply to Claim 35 to the extent the language used in the statement differs from the language of the claims.

Respectfully Submitted,
